

Olde Mill Swim Club Friends & Neighbors Program

Attention all members of Olde Mill Swim Club. Please assist us in our 2008 membership drive! If you have a neighbor or a friend that you feel would enjoy the Club, please take a few minutes to encourage them to join. *We need your help to spread the word about the Club.*

As part of this word-of-mouth campaign, OMSC is again offering a rebate program to current members who successfully sponsor a new member. We'll provide \$25 rebates to both you and the new member. Here's how it works:

Talk to your friends about what the Olde Mill Swim Club has to offer. If you find someone who might be interested, provide them with the necessary membership forms and whatever other assistance they may need in joining (*call us at 410-987-7890 for details*). To receive the rebate, have the new member enclose **with** their membership application one of the coupons found below. After all dues and fees have been handled by our treasurer, she'll send each of you a check for \$25.

This offer is intended for current members and new members who purchase their pool certificates from OMSC.
One other note, this is a rebate program; please don't subtract the \$25 from your original dues-payment.

Promoting membership is important to the success of your Swim Club. We must maintain membership at a level sufficient to support the facility, its programs, and our efforts to make physical improvements. We hope this program will provide you an additional incentive to advertise & promote the Swim Club.

Please make an effort to share the Olde Mill Swim Club experience!
