Applications

[Back to top ▲](#)

- + In-ground pools of all types and sizes
- + In-ground spas

Features

[Back to top ▲](#)

- + High-performance, heavy-duty motor for quieter, cooler operation
- + Exclusive swing-away hand knobs for easier strainer cover removal: no tools required... no loose parts... no clamps

+ Warranty Registration

- + See-through strainer cover lets you see when the basket needs to be cleaned
- + 110-cubic-inch basket for extra leaf-holding capacity; load-extender ribbing ensures free flowing operation
- + Mounting base provides stable, stress-free support, plus versatility for any installation requirement. Adapts both 48- and 56-frame motors
- + Service-ease design gives simple access to all internal parts
- + Self-priming (suction lift up to 8' above water level)
- + 6 max-rated single speed models available from 1/2 to 2 1/2 hp
- + 3 max-rated two speed models available in 1, 1.2 and 2 hp
