

Olde Mill Swim Club - Number of Active Families

	May 1, 2018	May 1, 2019
Active Members	107	106
Inactive Members	44	41
Unknown status	62	57

All members are encouraged to understand that they have a vested interest in finding new people to join so this place has a chance of remaining viable.

We thank those members who have observed our multiple displays at the pool asking for everyone to help with membership and have acted by inviting a new family. Thank you very much.

Charts such as this have been posted at the pool for everyone to see for over 15 years. I have updated them religiously every month during the summer.

The tallies are for the first of each month so the numbers can most reliably be compared year over year.

Kevin Kendall

Final numbers from last year, 2018

Active Members : 151
 Inactive Members : 46

New Membership Certificates Sold : 7
 Transferred Certificates : 12
